Mr. Robt. A. Smallman
County Counsel
1005 A Street
San Rafael, California

Dear Robt. Smallman:

Having no success in reaching you on the phone yesterday we are passing on to you request of Hugh Dougherty, Chairman of our Sanitary Committee that the matter of preparing preliminary map of proposed special district be taken up with Mr. Brigham and Mr. Broemmel.

In regard to boundaries, they should include Steep Ravine down to the Ocean. Hugh is of the opinion that legal description can be taken from old petition.

He also requested that map be of a "Proposed County Water District" no other name to be shown at this time.

Many thanks to you for your help and cooperation in this matter.

Yours very truly
